A Spanish Architect from Escuela Europa de Madrid with a love for Cambodia, Cristina now totals more than 5 years of experience in the Kingdom. Cristina joined BLOOM in June 2018, after 3 years of experience in Phnom Penh at Asma Architects and became a junior associate in 2020. At BLOOM, her most noticeable success was Amber Kampot, a 5 stars hospitality development for which she was in charge from design to construction supervision until completion in 2020. Cristina currently oversees all residential projects and interior design projects at BLOOM.
